The Armoury Quadrangle Civic Association

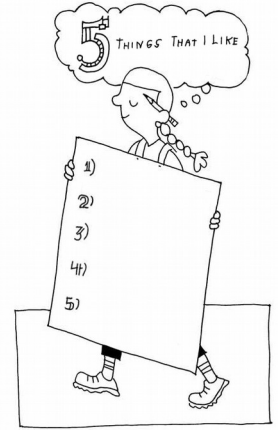

Monthly General Meeting

7PM

on March 15, 2018

At Classical High Condominiums

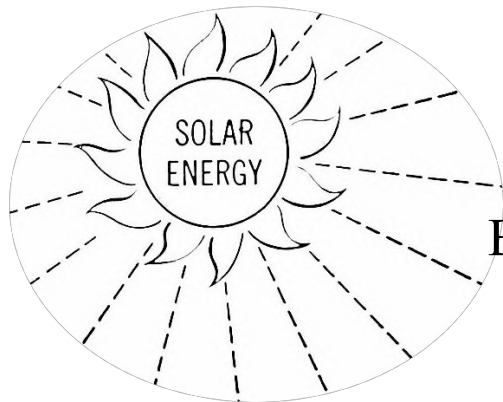

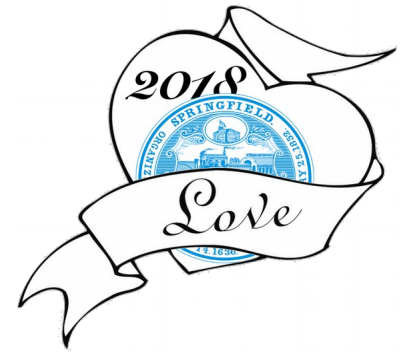

235 State St. , Springfield, MA

From Bill Zimmerman's new book in progress: Your Life in Comics for Girls.

Theme is around energy initiatives & what we like about Springfield, MA.

As we ended our 165th year as a city, & took time to reflect on the things that we like about the place we live in. Our General Meeting for Feb. 15 was replaced by a planning meeting at the AQCA office with guests.

This month's special guest speaker is Brian Hebeisen, who will speak to us about his Solar Energy Initiatives.

There will be lite refreshments and a time to socialize after the meeting and remember to check the weather before leaving for our meeting, it just might be windy or rainy.

We also expect to have some opportunities to have a “heads-up” about what will happen soon that we know of.

And some things that might be beneficial to you to look into.

Our Board of Directors meets Monthly at the AQCA office (140 Chestnut St. , March, 2nd this month) at 4PM. Look for other dates on our website.

All are invited to our Board of Directors meetings to express concerns and suggestions. We do need people to tell of our General Meetings.

And the Next General Meeting is on the Third Thursday (April 19) at a place To Be Announced.

email us at AQCA@aqca.org

We normally have someone at the office for a few hours once a week

Our telephone number is (413) 747-1830
