On this 7th day of August, 2018, the
Armoury Quadrangle Civic Association
 is here in support of the
35th National Night Out
 and we want to hear what you feel
 are the great things about living
 near the center of the city
 and any improvements
 you would like to help make happen.

Some, like Chestnut Towers have told us they are having an event for their properties.π
 We are at Apremont Triangle and over at Kimball Towers to collect what you like about this area and things
 you want to see happen here. Let us all work together for the betterment of the life of all within our community
